PILSNER 16

Bohemian Pils. This is Pilsner! In the Czech Republic, this is the definition of beer. This is where the first bright lager in the world was created. In our interpretation of the style, we complemented Pilsner malt with a bit of rye malt, which enriched our beer with a slight spicy note. The whole thing is completed by Saaz hops - a Czech variety that gives the beer a pleasant spicy aroma and clean bitterness.

MIAMI LAGER 16

The light beer Miami Lager from Inne Beczki leads you through the hot sandy beaches of sunny Miami with its extraordinary, refreshing taste. It's a perfect drink for hot days. It was made from three types of hops. It has a taste of light bitterness with a slight hint of citrus fruits and fragrant flowers. It's a classic light lager beer that every gourmet and amateur of golden drinks will appreciate. It tastes best in company.

ZISSOU 17

Zissou APA from Inne Beczki is an amber beverage with a unique and exceptional taste. It is an excellent product for connoisseurs and lovers of the best breweries. You can taste light, fruity bitterness and extraordinary sweetness. It's a classic American APA beer. When poured into a glass, a white, durable foam forms, adding expressiveness to the beverage.

ESTEBAN 17

Afternoon sun. Waves hitting the ship's hull. Flutter of sails. A hammock swinging in the wind. Esteban just appeared on the near horizon! Zissou's best friend. We've been waiting for him for a long time. The base of this beer is our flagship APA. Notes of citrus and tropical fruits, coming from new-wave hop varieties, have been boosted with passion fruit juice and fresh coriander leaves.

FREE IPA 16

Free IPA is a light, non-alcoholic beer in the style of India Pale Ale. A large dose of hops. Enchanting scent of citrus, resin, and tropical fruits. Pleasant bitterness.

JUNGLE IPA 17

Jungle IPA from Inne Beczki is an excellent, golden beverage that will appeal to every connoisseur of exceptional flavors. The beer was produced by combining 3 types of hops: Simcoe, Columbus, and Cascade, as well as 3 types of malt. Jungle IPA from Inne Beczki has a slightly citrusy taste with a hint of oriental spices, resin, and mango. It's a classic India Pale Ale beer with an addition of exotic flavor and aroma.

WAKE & BAKE 16

We recommend putting on comfortable, breezy shorts, a floral shirt, certainly sleeveless, and leaving the city for at least 48 hours. And bring friends. Don't forget sunscreen and a toothbrush. You'll return when things loosen up.

HAZY HAKA 17

A quick trip to the other side of the globe? Here you go. This is Hazy Haka - the taste of Polynesia brewed with three aromatic New Zealand hop varieties: Nelson, Rakau, and Wai-iti. Feel the wild nature and trance ritual, enhanced by the aroma of citrus and white fruits.
